SNAP/ FOOD STAMPS

SNAP benefits (formerly known as food stamps) can help put healthy food on the table by providing monthly assistance to purchase food at authorized grocery stores and farmers' markets. Benefits are provided monthly through a plastic benefit card, similar to a debit or credit card.

TERMS

EBT

Stands for Electronic Benefit Transfer. It's the system the government uses to disburse benefits.

SNAP

Stands for Supplemental Nutrition Assistance Program. "SNAP benefits" is the same thing as "food stamps."

WHAT SHOULD I KNOW?

➔ **Employment** does not interfere with getting SNAP. Even if you are working, but earning low wages, you may be eligible.

➔ **Average SNAP benefits** are over \$100 per person per month, and \$250 or more for families. That means that SNAP benefits for the average family receiving them totals more than \$3,000 worth of food support each year.

➔ **Farmers' markets** often accept SNAP benefits, so you can purchase fresh produce and food-producing seeds and plants using your benefits.

AM I ELIGIBLE?

Eligibility is based on household size, income, expenses and other factors. Households have to meet income tests to receive benefits, but **households that have members who have earned income, who are disabled or elderly (60 or older), or have out-of-pocket expenses for childcare or dependent care, can have higher incomes and still be eligible.**

		
NUMBER OF PEOPLE IN HOUSEHOLD	MONTHLY INCOME LIMIT (PRE-TAXES) ¹	MAX. MONTHLY SNAP BENEFITS ²
1	\$1,383	\$204
2	\$1,868	\$374
3	\$2,353	\$535
4	\$2,839	\$680
Each additional household member	+\$486 (approximately)	+\$153 (approximately)
	¹ In effect 10/1/20 - 9/30/21.	² In effect 10/1/20 - 9/30/21.

If you meet the above income qualifications, it doesn't matter how much money you may or may not have in countable resources. In other words, you can save money for education, a home purchase, or retirement and still receive SNAP benefits.

IMMIGRANT ELIGIBILITY

Legal immigrants can often receive SNAP benefits if they:

- have lived in the country for 5 years or more; or
- are children (under age 18).

➔ Ineligible immigrant parents can still receive benefits for their children even if a parent does not qualify.

➔ Certain non-citizens, such as those admitted for humanitarian reasons, may also be able to receive benefits.

➔ The Trump Administration's Public Charge Rule ended on March 9, 2021. Using SNAP, P-EBT, WIC, or Food Pantries will not affect your immigration status. The Public Charge Rule still exists for some immigration applications but **ONLY** applies to government cash benefits (e.g. TAFDC, EAEDC, SSI) and long-term charge paid for by the government (e.g. nursing home).

➔ For questions about how receiving SNAP or other benefits may affect immigration status, please call the NYS New Americans hotline at 800.566.7636

STUDENT ELIGIBILITY

Under the Consolidated Appropriations Act, 2021, SNAP eligibility has been temporarily expanded for students of higher education.

College students may be able to receive benefits if they are enrolled at a college or university at least half-time as defined by the institution and meet one of the following criteria:

- Eligible for a state or federal work-study program, even if not enrolled in work-study; or
- Have an Expected Family Contribution (EFC) of \$0 on the Free Application for Federal Student Aid (FAFSA) for the current academic year.

➔ Individuals enrolled less than half-time may be SNAP-eligible if they meet all other SNAP eligibility requirements.

The new, temporary exemptions will be in effect until 30 days after the COVID-19 public health emergency is lifted.

FROM THE FARM

COMMUNITY SUPPORTED AGRICULTURE (CSA) PROGRAMS

CSA members purchase "shares" in an entire season of high quality, fresh produce grown by local farmers. Members usually pay for their shares in advance, but some CSAs adjust payment to income, accept SNAP benefits, and allow some members to pay week to week. Members typically pick up boxes of produce from a set location every week though some CSAs have half-shares available for pick up every other week.

Note that sign up is generally March to May, with the first pickup in June or July and the last one in late October or early November. As a rule, late sign up is not permitted. Some CSAs also have limited winter shares.

Corbin Hill

Multiple pickup locations. Allows signups Tuesday/Wednesday before first pickup. Permits weekly payment and payment via SNAP. Weekly in summer, every other week in winter. Reduced price shares available. Visit Corbin Hill's website, call, or email to find a CSA program near you and sign up.

Contact: info@corbinhillfarm.com, 646 254 2250

Just Food

Multiple pickup locations. Sign up deadlines and SNAP acceptance vary. Winter shares available from some CSAs. Visit Just Food's website, call, or email to find a CSA program near you. Contact the CSA directly to sign up.
